

Unique ID Assignment Form (CRID), Form 2804

In order to generate a Unique ID (CRID) the following fields must be answered on the Form 2804:

Autologous HSCT

Key Fields: CIBMTR Center # and Today's Date

Question 1: *For autologous HSCTs only:* Has the recipient consented for research?

If yes, follow rules for allogeneic HSCT

If no, complete the following questions:

Question 4: Recipient date of birth (year of birth only)

Question 15: Primary disease for which the HSCT would be performed

Question 16: Tentative HSCT date

Question 17: Cell source for the HSCT

Question 18: Has the recipient undergone a previous HSCT?

If yes, complete questions 19-26

If no, continue with question 27

Question 19: Date of first HSCT

Questions 20-23: Cell source for first HSCT

Questions 24-26: Product type for first HSCT

Question 27: Person completing the form

NOTE:

If an autologous HSCT recipient declines to participate in research, the Form 2804 is the only form that must be submitted to the CIBMTR.
