|-------------|------------|---|--------------------------|
| 3:15 – 4:15 | 60         | Handling Subjects Clinical Trials participation to inform future analyses involving trials-based care (Work Group 3) <ul style="list-style-type: none"> <li>▫ Work Group recommendations (20)</li> <li>▫ Discussion (40)</li> </ul> | Michael Verneris, MD     |
| 4:15 – 4:30 | 15         | Wrap up and next steps  | J. Douglas Rizzo, MD, MS |

## 2023 Center Outcomes Forum Working Group Members

**Working Group 1:** Updating the processes to provide ongoing scientific input in the CSA risk adjustment and transparency about the risk modeling

| Name                                  | Organization  | Representation                 |
|---------------------------------------|---|--------------------------------|
| Christopher Dandoy, MD, MS<br>(Chair) | Cincinnati Children's Hospital Medical Center               | ASTCT QOC, HCT Ctr-Peds        |
| Dianna Howard, MD                     | Wake Forest Baptist Health                                  | ASTCT QOC, HCT Ctr-Adult       |
| Mark Juckett, MD                      | University of Minnesota Blood and Marrow Transplant Program | CSA Research TF, HCT Ctr-Adult |
| Michael Rabin,                        | City of Hope  | HCT Ctr-Adult                  |
| Alberto Santos III, DO, MBA, MS       | Aetna   | Payer                          |
| Robert Soiffer, MD                    | Dana-Farber Cancer Institute                                | HCT Ctr-Adult                  |
| Amir Steinberg, MD                    | Westchester Medical Center                                  | HCT Ctr-Adult                  |

**Working Group 2:** Risk Adjustment in AML, ALL, and MDS

| Name                             | Organization   | Representation    |
|----------------------------------|--|-------------------|
| Kristin Page, MD (Chair)         | CIBMTR - Milwaukee   | CIBMTR ScD        |
| Kwang Woo Ahn, PhD               | CIBMTR - Milwaukee   | CIBMTR PhD Stats  |
| Yi-Bin Chen, MD                  | Massachusetts General Hospital                                   | HCT Ctr-Adult     |
| Stella Davies, MBBS, PhD, MD, BS | Cincinnati Children's Hospital Medical Center                    | HCT Ctr-Peds      |
| Firas El Chaer, MD               | University of Virginia Health System                             | HCT Ctr-Adult, WC |
| Selina Luger, MD                 | Abramson Cancer Center University of Pennsylvania Medical Center | HCT Ctr-Adult, WC |
| Wael Saber, MD, MS               | CIBMTR - Milwaukee   | CIBMTR ScD        |
| Bart Scott, MD                   | Fred Hutchinson Cancer Center                                    | HCT Ctr-Adult     |

**Working Group 3:** Recommendations about handling clinical trials participation to inform future analyses involving trials-based care

| Name                         | Organization   | Representation           |
|------------------------------|--|--------------------------|
| Michael Verneris, MD (Chair) | Children's Hospital Colorado                                     | HCT Ctr-Peds             |
| Anthony Bonagura, MD         | Optum Health Services  | Payer                    |
| Steven Devine, MD            | NMDP/Be The Match  | CIBMTR ScD               |
| Leslie Kean, PhD             | Boston Children's Hospital                                       | HCT Ctr-Peds             |
| Stephanie Lee, MD, MPH       | Fred Hutchinson Cancer Center                                    | HCT Ctr-Adult            |
| John Levine, MD, MS          | Mount Sinai Medical Center                                       | HCT Ctr-Adult            |
| Michael Martens, PhD         | CIBMTR - Milwaukee   | CIBMTR PhD Stats         |
| Joycelynne Palmer, PhD       | City of Hope   | HCT Ctr-Adult, PhD Stats |
| David Porter, MD             | Abramson Cancer Center University of Pennsylvania Medical Center | HCT Ctr-Adult            |
| Brian Shaffer, MD, MS        | Memorial Sloan Kettering Cancer Center                           | HCT Ctr-Adult            |
