

CIBMTR Center Support Response Delay

TCT and CRP/DM Conference is February 18th-23rd. Due to a large amount of CIBMTR Data Operations staff attending, ticket response time may be delayed. We apologize for any inconvenience this may cause your center. We look forward to providing a smooth and seamless support experience for your center.

Upcoming FormsNet3 Releases

The CIBMTR is excited to announce a new update to the CIBMTR website. The former FormsNet3 Releases “hidden” website is no longer “hidden”.

Located under the “Data Management” tab, followed by the “Training” tab as seen below, there is now a new link for “Upcoming FormsNet3 Releases”. Click [here](#) to navigate to this page.

The screenshot shows the CIBMTR website header with the logo and tagline "Sharing knowledge. Sharing hope." and social media icons. The navigation menu includes: ABOUT CIBMTR, STUDIES, SAMPLES, DATA, STATISTICAL SUPPORT, MEETINGS, REFERENCE CENTER, and DATA MANAGEMENT. The DATA MANAGEMENT menu is open, showing options like Center Membership, Administrative Resources, Protocols and Consent Forms, CIBMTR Audit Program, Data Collection Forms, System Applications, Manuals and Guides, Training (highlighted), Communications, Mentors, and Center Support. The main content area shows the breadcrumb "Home / Data Management / Training / Upcoming FormsNet3 Releases" and the page title "Upcoming FormsNet3 Releases". The text on the page states: "CIBMTR is excited to announce that the next set of revised forms are scheduled for release in FormsNet3 in late April 2020. Please expect content updates 2-4 weeks prior to the release. Below you will find the new forms to preview, along with some of the highlighted changes you can expect to see." It also provides contact information: "If you have any questions about the forms or upcoming release, please contact CIBMTR-form-feedback@nmdp.org." Below this are sections for "Release Highlights" (Coming soon), "Archived Release Highlights", "Forms" (Coming soon), "Manuals" (Coming soon), and "eLearnings" (Coming soon).

Approximately two to four weeks prior to a quarterly release, an eBlast notification will be sent announcing the documents below have been posted for review:

- Release Highlights (i.e., form change summaries)
 - Please note, all Release Highlights from prior releases beginning with the Winter 2020 Release will be stored under “Archived Release Highlights” highlighted above.

- Preview of the Forms
 - Manuals (as they are completed)
 - eLearnings (as they are completed)
