

CIBMTR Center Support will be Closed July 4th and 5th

CIBMTR Center Support will be closed July 4th and 5th for the holiday. Because of this, there will be a delay to questions and requests, until July 9th when most of our team returns. While we will be unavailable, you can still submit questions and request through the ServiceNow portal (<http://nmdp.servicenow.com/csm>). Thank you and we look forward to providing a smooth and seamless support experience for your Center.
