

## CIBMTR Center Support Will Have Limited Staff During the NMDP One Forum

*Audience: Domestic and International Data Managers and Medical Directors*

CIBMTR Center Support will be closed on Thursday, November 5th and have limited staff on Friday, November 6th which may delay response times for issues submitted. As always, you can continue to submit questions and requests through CIBMTR Center Support at <https://nmdp.service-now.com/csm>. Thank you and we look forward to providing a smooth and seamless support experience for your Center.

## Forms to be Revised

*Audience: Domestic and International Data Managers and Medical Directors*

Over the next few months, the CIBMTR will be revising the next set of data collection forms, and we would like to ask for your help. The forms to be revised include:

Forms
2031 – Immune Deficiencies Pre-HSCT Data
2131 – Immune Deficiencies Post-HSCT Data
2402 – Pre-Transplant Essential Data: Disease Classification (Disorders of the Immune System Section ONLY)

The goal of the revision process is to ensure the forms are capturing all currently relevant data, particularly where new definitions or tests have been accepted for use in the field. When reviewing the forms, we also keep in mind the length of the form and burden to data professionals. There are two ways in which you can contribute:

1. Submit suggestions for form changes. To do this, please review the forms and send any suggested improvements to Stephanie Meyers at [cibmtr-form-feedback@NMDP.ORG](mailto:cibmtr-form-feedback@NMDP.ORG). This can include clarification around questions, adding new data points, or reformatting the way something is captured. All suggestions will be reviewed.
2. Volunteer for a Form Revision Committee. Representation from data managers is a valuable part of the revision process. Participation on a committee includes reviewing the forms via conference call and determining the content changes needed. We expect the discussion will require about three meetings throughout December and January but will adjust as needed. Dates and times to be determined.

Please submit suggestions or questions to Stephanie Meyers at [cibmtr-form-feedback@NMDP.ORG](mailto:cibmtr-form-feedback@NMDP.ORG), or volunteer for a committee by **Tuesday, November 17th**.
