

NEW Sections in the Forms Instruction Manual

The CIBMTR is pleased to announce the release of two additional sections of the CIBMTR Forms Instruction Manual. The Forms Instruction Manual is designed to assist data management professionals in completing and submitting forms to the CIBMTR.

The following new section is now available under the *Comprehensive Disease Specific Manuals* on the [CIBMTR Forms Instruction Manual website](#):

[2031/2131: Immune Deficiencies \(ID\)](#)

The following new section is now available under the Infection and Miscellaneous Manuals on the CIBMTR Forms Instruction Manual website:

[2047/2147: Hepatitis Serology](#)

Sincerely,
CIBMTR Data Operations
