

# Update to Pre-TED for Canadian Centers Only

**Change effective Friday, May 8, 2020 (9PM CST)**

The zip or postal code in question 11 on the Pre-TED Form (2400 R6 and R7) will be optional to answer for Canadian residents, rather than only required for USA recipients. The question can be answered or left blank without error for Canadian residents.

This allows the Canadian postal code to be captured for health services research.

If you have any questions or concerns regarding this change, please contact the Form Revision Team at [CIBMTR-Forms-Feedback@NMDP.org](mailto:CIBMTR-Forms-Feedback@NMDP.org).

Sincerely,  
Data Operations
