

CIBMTR Center Support Closed January 1st

Audience: Domestic and International Data Managers and Medical Directors

CIBMTR Center Support will be closed Friday, January 1, 2021 in observance of New Year's Day. While we will be unavailable, you can still submit questions and requests via CIBMTR Center Support (<https://nmdp.service-now.com/csm>). Thank you and we look forward to providing a smooth and seamless support experience for your center.

COVID-19 Vaccination Guidelines

Audience: Domestic and International Data Managers and Medical Directors

Currently, there are not any COVID-19 vaccination guidelines for immunocompromised patients (e.g., those who are receiving treatment pre and/or post-HCT/CT) as these vaccines were not tested in this population.

For up-to-date information regarding these vaccines, please visit:

CIBMTR Forms Instruction Manual

Audience: International and Domestic Data Managers

Forms Instruction Manual Updates

The following sections of the Forms Instruction Manual have been updated this past week:

- Pre-TED (2400)
- Post-TED (2450)
- Post-HCT Follow-Up (2100)
- HCT Product and Infusion (2006)
- Multiple Myeloma Response Criteria
- Amyloidosis Response Criteria

For an overview of the updates, review the Manual Updates table at the bottom of the [Getting Started](#) page. Please contact the CIBMTR Center Support if there are any questions.

Additionally, in the next few weeks, manual updates made to each section of the manual will be listed in each specific section, in addition to the updates listed in the Getting Started and the first page of each manual. Look for the "Section Updates" table at the bottom of each section to review recent changes made.
