

We're Moving

The offices for CIBMTR in Minnesota along with NMDP/Be The Match will be relocating to downtown Minneapolis. The address for the new Coordinating Center is 500 N 5th St, Minneapolis, MN 55401-1206.

There will be a brief interruption in communication with your CRCs in Minneapolis between Friday November 20 at 8:00 am - Monday November 23 at 5:00 pm. Our CRCs in Milwaukee will be available to answer any immediate questions during that time.

The Minneapolis office phone numbers will be changing to a new area code (763) and new prefix - 406, with the last four digits the same as now. For example, the current phone number 612-884-8613 will change to 763-406-8613. Current numbers will work temporarily as well.

**Sincerely,
CIBMTR Data Operations**
