As of January 2021, the CIBMTR Portal now has an area for accessing updated eLearnings. The CIBMTR eLearnings will be housed on two platforms, until the full transition to the Portal is complete. Both platforms are outlined below.

Logging in to the Portal

1. Go to the CIBMTR Portal landing page: [portal.cibmtr.org](http://portal.cibmtr.org)
2. Click on Sign in with Okta*
3. Enter your FN3 username and password
4. Click on “Send Push”
5. Approve the push notification on your mobile device

Use these instructions to setup Okta Verify. If you do not have a user account, please ask your primary Data Manager to create one for you in the Network Partner Portal.

Please submit a request to ServiceNow if you have any trouble accessing the CIBMTR Portal or if you have a user account and need additional access. Choose category “CIBMTR Center Maintenance” and then “CIBMTR Portal Help.”

*If you use an alternate form of multifactor authentication, you may also click on “Sign in with Okta” and follow the steps for access.

Accessing eLearnings on the Portal
