

10. CIBMTR Campus & CRC Assignment [table of contents](#)

10.1 Campus Assignment: A transplant center is assigned to either the Minneapolis or the Milwaukee campus of the CIBMTR for purposes of data submission and support.

10.2 CRC Assignment: Each transplant center is assigned a CRC from their respective CIBMTR campus. The CIBMTR CRCs are able to answer questions not covered in the Forms Instruction Manual or on the CIBMTR website, and to provide additional assistance answering complicated questions. The CRCs will also provide assistance with CPI compliance, study queries and data submission questions.

For information regarding your transplant center's campus assignment or assigned CRC, see [Appendix J](#).
