

16. Reimbursement for Forms Completion [table of contents](#)

The CIBMTR reimburses transplant centers for all completed Comprehensive Report Forms; reporting of TED-level data is not reimbursed, with the exception of the Form 2006 when requested for NMDP recipients. Once a form is designated as “error-free” in the FormsNet™2 application, the transplant center will be reimbursed. Forms are reimbursed at the following rate:

Table 3. Transplant Center Fee Schedule

Rate	Form Number	Form Name
\$135	2000	Recipient Baseline Form with required disease forms
	2004	Infectious Disease Markers
	2005	Confirmation of HLA Typing (related donor only)
	2006	HSCT Infusion (selected for Comprehensive Report Forms)
\$110	2100	100 Day Post-HSCT with required disease forms
\$85	2200	Six month to Two Year Post-HSCT with required disease forms
\$65	2300	Yearly Follow-up for Greater than Two Years Post-HSCT with required disease forms
\$25	2006	Unrelated HSCT using U.S. donor (not selected for Comprehensive Forms submission)
\$15	2900	Recipient Death Data

NOTE:

The CIBMTR cannot reimburse for Comprehensive Report Forms until it receives a signed Data Transmission Agreement (DTA).

Submit DTA to the NMDP Contracts designee. For contact information, see [appendix J](#).

Continue operating under your current Data Use Agreement until you have submitted a DTA. For additional information or questions, contact your CIBMTR liaison.
