

## Q127-130: Functional Status

---

**!** This section focuses on fertility. This is an important section due to the possibility of some genetic modified cells persisting and possibly circulating to the fetus.

### **Question 127: Was the recipient pregnant at any time in this reporting period? (Female only)**

Indicate “yes” if the female recipient was pregnant at any time during the reporting period and continue with question 129. Indicate “no” if the female recipient was not pregnant at any time during the reporting period.

### **Question 128: Was the recipient’s female partner pregnant at any time in this reporting period? (Male only)**

Indicate “yes” if the male recipient’s partner was pregnant at any time during the reporting period. Indicate “no” if the male recipient’s partner was not pregnant at any time during the reporting period.

### **Question 129: Was the recipient or recipient’s partner still pregnant at the date of last contact?**

Indicate “yes” if the female recipient or recipient’s female partner were still pregnant at the date of last contact. Indicate “no” if the female recipient or recipient’s female partner was not pregnant at the date of last contact and continue with question 130.

### **Question 130: Specify the outcome of pregnancy:**

Indicate if the pregnancy ended in a “live birth”, “intrauterine fetal death”, “spontaneous abortion”, “elected abortion” or if the outcome is “unknown”.
