Accessing the Daily Presentations

- If you are registered to attend, please login to the Clinical Research Professionals/Data Management Track via the link below
(<https://tct.confex.com/tct/2021/meetingapp.cgi/Program/1298>)
 - use the email address you used to register and your registration number
 - If you have problems signing into the **platform**, email TCTMRegistration@conferencedirect.com and TCTMeetings@mcw.edu

The screenshot displays the 'Sign In' page of the conference registration portal. A red box labeled '1' highlights the 'Sign In' button in the top navigation bar. A red arrow points from this box to the sign-in form. The form contains a text box for the 'Registration Number' (labeled '2') and another for the 'Registration Email Address' (labeled '3'). A green 'Sign In' button (labeled '4') is positioned below the form. A link for 'Forgot Registration ID?' is located below the form. The page also features a sidebar menu with options like Home, Happenings, Sign In, Search, Agenda, Presenters, Target Audience, Accredited Sessions, Evaluations and Credits, General, and Zoom Tips. A 'Meeting Description' section is visible on the right, showing a schedule for Monday, February 22, 2021, with sessions such as 'CRPDM-01 (CRPDM) The Year in Review - Or, What Your D...' and 'CRPDM-02 (CRPDM) Cell Therapy'.

Sound

- The Clinical Research Professionals/Data Management Track this year is a combination of live and recorded presentations via the application Webex Meetings
- If you join **via headphones**, the audio will **stream via your computer speakers** for the **recorded presentations**
- Audio for **LIVE speakers** will **stream through** your **headphones**
- If you are still having issues, make sure you are **not signed into a VPN**
 - IF you are still having issues, we believe it is likely your computer's audio settings. It is suggested to contact your IT department.

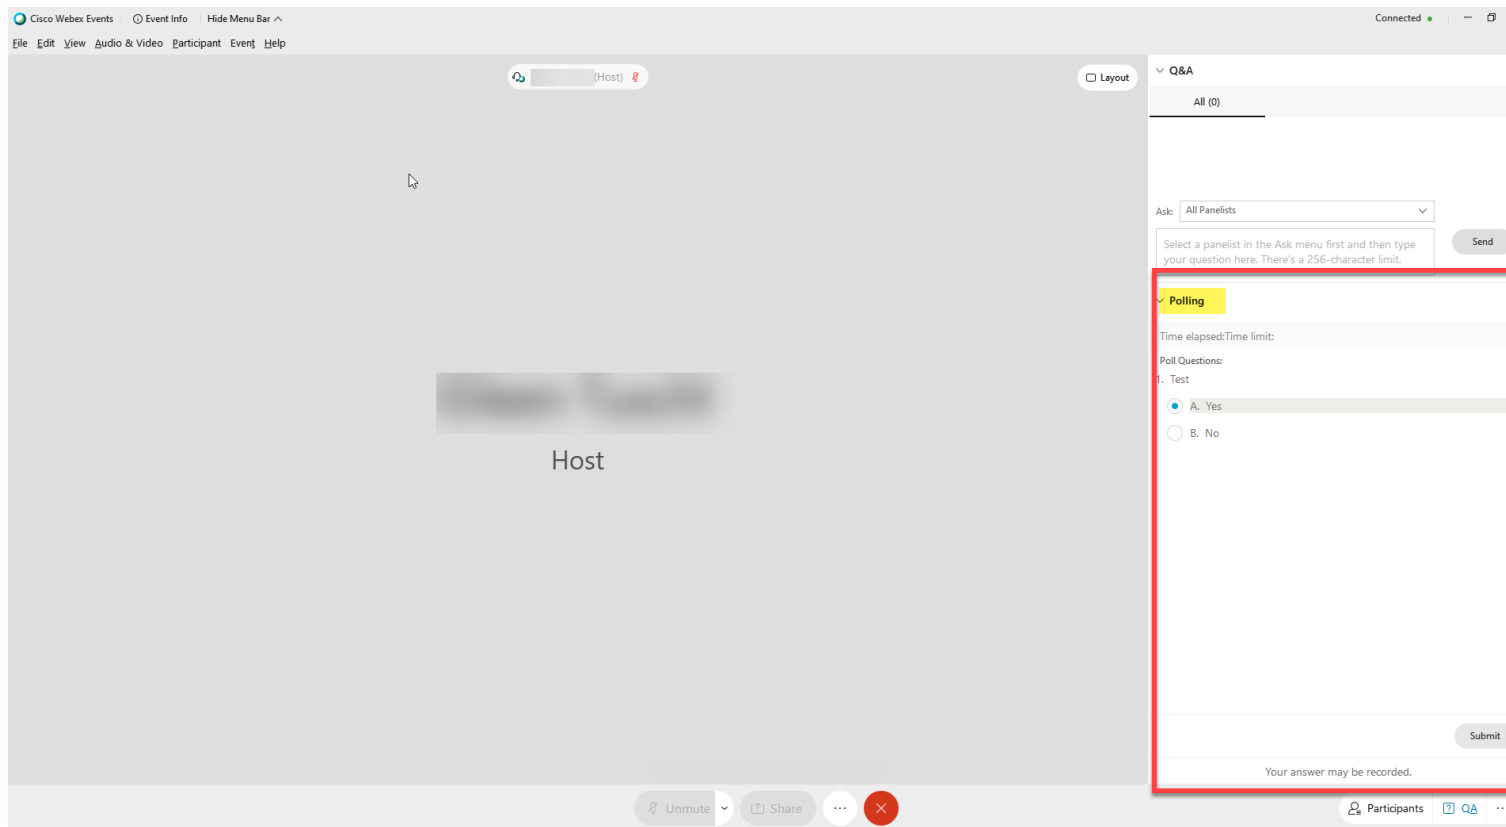

Using the Q & A

- Open the **Q & A** panel.
- On the Q & A panel, type **center name** **AND** **your question** in the text box.
- In the Ask drop-down list, select **All Panelists**, and then select **Send**.
- Questions will be answered during designated discussion times.
 - If your question needs clarification, you will be temporarily unmuted. If you do not have a microphone, please state that with your question
 - Any questions that are not addressed during the Q&A portion, the presenter will follow-up with the data manager individually

Live Polling via Webex Events

- When the presenter announces polling will begin, the polling question will appear on the right-side of your screen

Daily Webex Evaluations

- At the end of each day, an evaluation will appear when the host ends the Webex session in your browser window
