How to participate in a live poll via the mobile app

1. Ensure your phone is connected to WiFi or cellular network.
2. Download the BMTTANDEM mobile app, if you have not done so already.
3. When you launch the app for the first time, make sure you select OK when prompted to Sync.
4. TAP on the LIVE Poll icon in the dashboard.
5. Select the session you are in and the questions will be displayed either as a question number or the actual question itself.
6. Select the question based on instruction from the speaker.
7. Enter your response, based on options presented by the speaker, and TAP Submit. (Wait for speaker’s instructions before you respond to questions.)
