Medical and Organizational Challenges Resulting from a Radiological/Nuclear Emergency

July 14-15, 2015
(On-site registration opens at 11:30 am on the 14th)
Rockville Hilton | 1750 Rockville Pike, Rockville, MD 20852

**Plenary Sessions:**
- A Decade of the Radiation Injury Treatment Network
- Medical Countermeasure Research Updates (pending abstract approval)
- Advancements in High Throughput Biodosimetry
- New Federal Concept of Operations for Lab and Triage Surge
- Public Health Emergency Medical Countermeasures Enterprise & How it Will Support the Medical Community
- Lessons Learned from Fullscale Radiological Exercises
- Connecting with the Right People in your Region
- Patient Movement Lessons Learned

**Highlighted Sessions:**
Challenges of treating a Radiation Victim-Tokaimura Fukushima Disaster and Long Term Follow-up
Providing mass care for Ebola with constrained resources

**PROGRAM DESCRIPTION**
The workshop will include highlight the most recent research and developments in the field of radiological/nuclear emergencies, including the Federal Concept of Operations, patient movement, the Public Health Emergency Medical Countermeasure Enterprise (PHEMCE), operational best practices, and biodosimetry.

**EDUCATIONAL OBJECTIVES**
1) Discuss progress in research on radiological countermeasures and biodosimetry.
2) Explain best practices from RITN hospitals.
3) Evaluate medical and societal effects from a pertinent recent event.
4) Describe federal objectives for radiological/nuclear disaster response.
5) Identify key lessons from a real-world ARS treatment case study.

**TARGET AUDIENCE**
Physicians, and other clinicians, support staff, emergency managers, research scientists, and appropriate federal agency staff involved in radiation response and treatment of patients with bone marrow toxicity.

**ACCREDITATION AND DESIGNATION OF CREDIT:**
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Medical College of Wisconsin and National Marrow Donor Program. The Medical College of Wisconsin (MCW) is accredited by the ACCME to provide continuing medical education for physicians.

***Continuing education credits will be offered but the amount offered will not be finalized until abstracts have been reviewed.

The National Marrow Donor Program is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation (COA).

**Please Submit Abstracts Through The Link On The Registration Site**

**Registration:** (indicate any special needs here)
